

**Personal Data**

Certified Secure respects the privacy of its users. Certified Secure collects and manages as little personal data as possible and exclusively data which the user voluntarily provides. For certain sections of our website it is necessary to register and to create an account, in which case, the personal data that is collected by Certified Secure includes the users' first name, last name and email address. Providing additional data is optional. When you purchase a certificate through our website we also save the delivery address.

Certified Secure ensures that the personal data which you provide is handled confidentially. Certified Secure uses your personal data solely for the purpose for which you have provided it in a way that adheres to the General Data Protection Regulation (GDPR). Your personal data is never shared with third parties, unless we disclose information in response to a law enforcement request.

**Purpose of Data Collection (why do we collect data?)**

Certified Secure collects the provided personal data to create an account that enables you to use our free and premium online security services.

**Visitor Data**

Certified Secure stores general visitor data in our log files. The information in these log files includes email address, IP address(es), browser, the time of the visit and the pages visited. The purpose of collecting this data is to optimize and improve the website.

**Cookies**

Certified Secure uses functional cookies. Functional cookies make sure that you can stay logged on and can save your language preference. Below you will find our cookies overview.

**Newsletter**

Certified Secure offers a newsletter that informs our users about the latest news regarding our offers and related affairs such as promotions and discounts. Your email address is only added to our list of subscribers upon your explicit permission. If you no longer want to receive updates you can adjust your preferences in your account. Our list of subscribers is not shared with third parties.

**Security**

Certified Secure takes the protection of your personal data very serious which is why we take appropriate organizational and technical measures to prevent abuse, loss, unauthorized access and unwanted disclosure of personal data. We use the Certified Secure checklists to ensure the safety of our servers and applications.

**Storage period**

Personal data is not kept for longer than what is necessary for the purpose of collecting it.

**Access and control personal data**

When you have created an account, you have the right to request information about the personal data we hold on you. You have the right to request rectification of your personal data if the information is incorrect or incomplete. You also have the right to have your personal data erased from our systems if the personal data is no longer necessary for the related purposes.

Your request can be submitted to: [info@certifiedsecure.com](mailto:info@certifiedsecure.com), or, by regular mail:
